Subject: Recreation Advisory Board

Good morning.

I first wanted to let you all know that I cannot attend today's meeting because of my work.

That said - unless the meeting time is changed, I feel like the best thing for me to do is resign from my board seat. Since I have returned to teaching, I would not be able to attend any meeting unless it landed on the off chance we were out of school.

Please let me know the process or protocol I need to follow if I need to resign.

Thanks.
